

MONACO SCREENS

DIGITAL & CHROMA KEY SCREENS FOR HIRE

Screens are available in various material types, colours and sizes to suit your production.

Screens up to 20ft come with a rigid frame, or a stand kit to suit. Larger screens require specialist rigging.

Monaco Screens also carry more support equipment your may need. Frames, stand kits, C-stands, shot bags, digi paint, digi-tapes, digi-card, suits, hoods, gloves, flooring material, floppies and all your screen needs.

L - Lycra material. Good for large screens where weight can be an issue for rigging. Cannot be joined using Dutchmen.

F - Robust heavy duty flooring material. Can be used draped over stand kit for cyclorama effect.

C - Painted heavy-duty canvas.

H - Heavy Nylon

Y - Yes

S - Spandex. Intense colourm but a bit 'shiny'. Very dynamic stretch. Cannot be joined using Dutchmen.

V - Veltex. Our most popular screen material. Strong knap for even lighting, spongy backed dense material, hangs and stretches extremely well. Can be joined using Dutchmen.

W - Wool felt, heavy knap - overavailable in Chroma Green.

U - Ultrabounce backed with Dutchmen flaps built in

N - No
